Student Feedback on College 2023-24

Observations:

The following are observations made on the student feedback on college:

- Feedback regarding sports facilities is largely positive, with most students agreeing that sports facilities are adequate.
- Students are satisfied with the college's organization of extracurricular and co-curricular activities, with a high number agreeing strongly.
- The college's laboratories are generally seen as adequate and well-maintained.
- The campus environment is highly appreciated, with strong agreement on its eco-friendliness.
- Classrooms and campus power supply receive strong positive feedback.
- The library's reading space is rated positively by most.
- Office staff responsiveness and helpfulness are well-regarded.
- Clean Drinking Water is a weaker area; a notable number of students are dissatisfied with the availability of clean drinking water.
- Most students feel grievances are addressed in a timely manner, though a fair number remain neutral or dissatisfied.

Action Taken Report:

- The college has taken a note of the concern raised regarding Clean drinking water and has ensured to
 - 1) Install more water purification units across the campus.
 - 2) Conduct regular testing of water quality.
 - 3) Ensure frequent maintenance of drinking water facilities.
- To enhance the grievance redressal mechanism, ensuring prompt and efficient resolution of student issues, the college
 1. Implemented an online grievance portal for faster tracking and resolution.
 2. Assign a dedicated team for handling student grievances.
