MENTAL HEALTH
AWARENESS PROGRAMME
FOR ADOLESCENTS

Date: 21.06.2019

ADOLESCENT TENDENCIES

Half of all women having problems start by the age of 24 years. And most of them are self-induced ones.

The unresolved problems extend to adulthood and become obstacles in achieving our goals and targets.

Depression, anxiety, low self-esteem, being over-achiever, and low self-confidence are indicators of unhealthy mental condition.

Suicide is one of the leading causes of death among teenagers around the world.
