Some issues pertaining to the College

Whenever inspection team comes from OU it asks about GHMC approved architect's building plan if not GHMC approved plan. In addition fire safety and sanitary certificates.

Even vigilance committee insisted on the building plan approved by the GHMC approved architect and original society papers and land registration originals, also insisted on fire safety and sanitary certificates.

On this matter, I had submitted note to Secretary.

Mean while I spoke to Mr Mukund Reddy, Deputy Commissioner of GHMC and he suggested one GHMC approved architect to do the job.

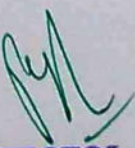

I request the Committee to permit me to do the work.

To improve the ambience in the PG block, floor stone polishing was done with the permission of Secretary/Correspondent and Treasurer.

I want to put forward to the Body on the Placement Officers salary issue:

I was told that Smt Sri Latha has joined first quarter of 2014 with 6+ years corporate experience (last pay drawn was Rs 35, 000) and the selection committee promised her a further salary hike of Rs. 5000 based on her performance and she claims that even after 2 and half years nothing has been materialized. In addition to placement work, she is also taking classes to MBA and CRT (Campus Recruitment Training) classes to the students for pre-placement training. She has been regularized in July 15, 2015 but not put her in the regular scale as we do for others.

If possible, the Committee can recommend for the enhancement of her salary.
